

Attention all Musicians, Music Venues, Dance Teachers, Folk and Blues Clubs, Radio Presenters, Poets, Festival Organisers, Music Shops and Music Industry People. If you fit into any of the above, you need to read this.

Trad&Now is the longest running and only national magazine that regularly includes folk, blues, roots, bluegrass and world music and festival contact information to enable audiences to locate the music events that they may want anywhere in Australia. It does this in its news and festival pages, in the Gig Guide, and in the past in a National Club, Dance and Radio Network Directory at the back of the magazine. This has been replaced by a series of seven separate bespoke directories strategically placed in relevant parts 0f the

magazine.

Each directory includes a great deal more information about each entry and the information will be kept up to date by ensuring that each contributor is also a subscriber.

The separate seven directories are categorised under: Music Industry and Organisations: **Musicians** and Performers: Venues Festivals: Clubs: and Dance; Radio; and, Bush Poets. If you fit into any of these categories and would like your additional information included in the new expanded directory, please complete the form

on the next page and return it to us, and we will include the information in the next available edition.

Entries in the new expanded directory are completely free but we require someone connected to each entry to be a subscriber to the magazine to ensure that the information is kept up to date.

The entry will remain in the directory for as long as the subscription remains current and a subscription still only costs \$55 for 12 months (8 editions) and includes a free compilation CD.
